

There has been a few cases of head lice across the whole school. Please check your child's hair this weekend. Thank you 😊

## Arts Week...

We will continue our focus on Arts and Art. Don't forget the art exhibition will be held after school on **6th and 7th February 3.30-5pm!**

## Forest Fun!

This week in Forest Fun we have been inspired by Andy Goldsworthy. We have been looking at how we can use natural materials to create lots of lovely artwork.

Can you create your own pictures at home? Record on Tapestry if you do, ready to share with the class :)

## This week's sounds

We have learnt the following sounds: 'oa' as in boat, 'oo' as in moon and book, 'ar' as in car and 'or' as in fork.

## Tricky words:

we, me, be

## Week ending 24/01/20

Poppy, Bluebell and Sunflower Class

## Top Tips

We use 'Jolly phonics' sounds songs at school. They are available on YouTube, Spotify or via a free app. The songs are a great way to revise the sounds your child is still finding tricky, just by having them on in the background!

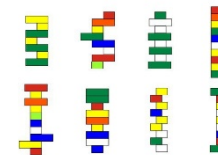

Similarly there are lots of counting songs too! Or even yoga videos! :)

## This week we have...

been reading 'The Dot' written and illustrated by Peter H. Reynolds. This story has inspired us to create our own unique dots and circles too all ready for the art exhibition!

## Maths

We have been learning about repeating patterns and symmetry! Can you find anything symmetrical in your home? Can you make a pattern with lego?

## Maths Workshop

Dates for your diary:

Thursday 6<sup>th</sup> February 2020 at 9.00 in the Small Hall.
