

# Year One

Dear Parents and Carers,

We have had a busy, arty week in Year 1. Lavender class enjoyed their Forest Fun session on Thursday - thank you for bringing their wellington boots and snacks. Foxglove class have their Forest Fun session next Thursday.

For Arts week we have focused on the artist Paul Klee. We have discovered that most of his work includes 2D shapes. The children have recreated his artwork and learnt the properties of lots of 2D shapes.

---

---

## Maths

In maths this week we have been doing subtraction from 20. We have physically used counters to show how many are left. We have jumped backwards on a number line and used the crossing out technique to show subtraction. We have started looking at crossing the 10's boundary  
e.g - 14 - 9. We will continue this into next week.

---

## English

In Literacy this week we have started our new book Man on the Moon (a day in the life of Bob) by Simon Bartram. The children have enjoyed immersing themselves in the text and getting to know Bob's jobs. We received a special email looking for a replacement Moon keeper - all the children were really excited that Bob wanted a holiday as they all wanted his job!

**Talking Point:** Do you think you can do Bob's job?

**Phonics:** In phonics this week we have looked at 'air' 'are' and 'ear' (all making the 'air' sound)

## Deputy Head Teacher's Award

### Cornflower
