

## Year 4

Dear Parents & Carers,

We have had a fantastic arts week focusing on the 'Magic of the Circle'. The exhibition will be on the 6<sup>th</sup> and 7<sup>th</sup> where you are invited to come and view your child's artwork!

This week in Maths, we have learned how to multiply up 3-digit by 1-digit using the formal method. It is really important that your child knows their times tables to enable them to use this method efficiently.

We have taught the children how to use singular and plural possessive apostrophes and there will be a test on this next Friday.

Just a reminder that children need to be in school uniform for our trip to Tate Britain on Tuesday. You should now be aware if your help is needed on this day. Thanks again for your continued support.

Have a lovely weekend!

Year 4 Team 😊

### Date Reminders

**Tuesday 28<sup>th</sup> January**

Tate Britain

**6<sup>th</sup> and 7<sup>th</sup> February**

Artwork Exhibition

**14<sup>th</sup> February**

Last day of the half term!

### Announcements

There is a significant outbreak of head lice across the school. Please check your child even if you don't think they have them!

We recommend the wet combing method (not chemical lotions) and parents/carers can find out all about it here: <https://www.chc.org/w/hat-is-bug-busting/>

---

### Homework Reminder

Please complete Mathletics. Please also continue practising times tables. The children need to know all tables up to 12 x 12.

All children should have received their spellings to learn for Spring Term. If they do not have a copy, ask the class teacher.

Reading – polite reminder. Please could parents and carers sign Reading Records to confirm that you have checked what your child is reading and that you have heard them read at least once. Thanks
