

Forest Fun

Forest Fun has been a great success so far and the children are really enjoying exploring and having fun in the secret garden! Please remember to bring your child to school every Wednesday in waterproof wear. Don't forget a change of clothes, shoes and a spare bag too.

Cake Sale

Thank you so much to everyone who donated baked goods and their time for the Daisy Class cake sale on Friday! The children were very excited! We look forward to finding out how much was raised and deciding what to spend it on!

Donations please

We have lots of sniffly noses and we are running **very low** on our tissue supply. Any donations of boxed tissues would be hugely appreciated! We would also be extremely grateful for any donations of childrens socks and tights that you no longer need. Please also return any socks or tights that your child has been sent home in. Thank you for your continued support.

Daisy Class

Sound of the Week

Our new sound of the week this week is 'm'! We had so much fun thinking of different things starting with the 'm' sound. We used our looking eyes and listening ears to explore Daisy class and loved thinking about all the different words that begin with 'm' - Mummy, monster, mushroom, monkey and money. We had a go at writing the letter 'm'

People who help us

We have started our new topic this week all about 'People who help us' We have talked about the many different people who help us and have even turned the role play in to our very own Veterinary surgery. We have had so much fun treating the animals and taking care of them!

Reminders

- Please ensure all clothing is named.
- Please add a keyring or other recognisable item to bookbags to help your child recognise it.
- Dont forget spare shoes and clothes on Wednesday (Forest Fun)
- No tights or laces on Monday (PE)
