

Year 4

Dear Parents & Carers,

Thank you to all of the volunteers that came with us to Tate Britain. The children loved seeing themselves on display in the gallery.

This week in Maths, we have turned our attention to division and the children have learnt how to divide by partitioning and exchanging.

Secrets of a Sun King remains our focus text and now we are working towards writing descriptive paragraphs with a focus on expanded noun phrases, high quality vocabulary and similes.

In History we have delved deeper into Tutankhamun's tomb and thought about why he took various items with him for the afterlife.

Have a lovely weekend!

Year 4 Team 😊

Homework Reminder

Please complete Mathletics. If/when there is a delay in setting Mathletics, please choose to do activities related to the learning in the week. Please also continue practising times tables. The children need to know all tables up to 12 x 12.

All children should have received their spellings to learn for Spring Term. If they do not have a copy, ask the class teacher.

Reading – polite reminder. Please could parents and carers sign Reading Records to confirm that you have checked what your child is reading and that you have heard them read at least once.
Thanks.

Date Reminders

6th and 7th February

Artwork Exhibition

14th February

Last day of the half term!

Announcements

There is a significant outbreak of head lice across the school. Please check your child even if they don't have nits!

We recommend the wet combing method (not chemical lotions) and parents/carers can find out all about it here: <https://www.chc.org/w/hat-is-bug-busting/>
