

Year 4

Dear Parents & Carers,

It was lovely to see so many of you at the Arts exhibition and we hope you have enjoyed looking at all the children's work around school.

This week in Maths, we have continued learning about division and we have been using the short formal method which you may know as the 'bus stop'. You could ask your child to show you how to do this method!

Secrets of a Sun King remains our focus text and we have now started writing our descriptive paragraphs of the secret tomb of Tutankhamun.

In Science we have been discovering and learning about the organ that allows us to hear. Can your child remember what this is and how it works?

Have a lovely weekend!

Year 4 Team 😊

Homework Reminder

Please complete Mathletics. If/when there is a delay in setting Mathletics, please choose to do activities related to the learning in the week. Please also continue practising times tables. The children need to know all tables up to 12 x 12.

All children should have received their spellings to learn for Spring Term. If they do not have a copy, ask the class teacher.

Reading – polite reminder. Please could parents and carers sign Reading Records to confirm that you have checked what your child is reading and that you have heard them read at least once.
Thanks.

Date Reminders

14th February

Last day of the half term!

14th February

Home Learning show and tell!

Announcements

The children all participated in the Year 4 auditions on Wednesday. Parts will be announced before the Friday of half term and scripts/song sheets will be sent home.
