

Year 6

Dear Parents & Carers,

The end of another busy half term for year 6!

All four classes really enjoyed their trip to Chessington World of Adventures to take part in the Junior Citizenship workshop. The lessons learnt there are invaluable as they move on to year 7 (and beyond) next year. Thank you to the parents who came with us.

Reading - Please can you try to listen to, and read with, your child at home at least once a week, and encourage your child to read independently on a daily basis. This is really important not only for their English skills development but also preparing them for the SATS later in the year.

We have been researching and designing air raid shelters. If your child would like to bring in specific resources that they would like to use, please can they do so after half term. We will be building them towards the end of that first week back.

Homework

English-Please write a 500 word short story for the Radio competition. This can be typed and printed, handwritten or uploaded as an assignment to their google classroom. More information, and examples of previous winners, can be found at <https://www.bbc.co.uk/programmes/p00rfvk1>

Children do not have to submit their story to the competition if they do not wish to, but they must write a 500 word story to hand in after half-term.

Maths – please complete the division and multiplication questions using written methods.

Spelling – The test when we return to school will be **Week 6** ence/ency.
