

Year 4

Dear Parents & Carers,

This week the children had a visit from an Egyptologist! He talked to the children about pyramids and gods which captivated their imaginations.

In Maths, we have started to learn about area. The children understand that this is the space taken up by a 2D shape. We are learning to calculate area by counting squares.

In English, we completed our descriptive writing on the discovery of Tutankhamun's simple resting place. The children have really enjoyed their writing based on the novel, Secrets of a Sun King by Emma Carroll.

We really enjoyed seeing all the creative home learning that has taken place on the Ancient Egyptians theme. Next half-term's grid will be released shortly!

Have a lovely half-term week,

Year 4 Team ☺

Homework Reminder

Please complete Mathletics. If/when there is a delay in setting Mathletics, please choose to do activities related to the learning in the week. Please also continue practising times tables. The children need to know all tables up to 12 x 12.

All children should have received their spellings to learn for Spring Term. If they do not have a copy, ask the class teacher.

Reading – polite reminder. Please could parents and carers sign Reading Records to confirm that you have checked what your child is reading and that you have heard them read at least once.

Thanks.

Date Reminders

24th February

School starts again

Announcements

The children have all been told which part they have in our upcoming production, A Glimpse of Gold. Excitement is brewing!
