

## Year Two

Dear Parents / Carers,

Welcome back to what we hope will be a fun-filled second half of the Spring term.

On Thursday, we will be dressing up and celebrating World Book Day! On Friday, children will be bouncing for books so please remember to get those sponsors!

### English

In English this week, we have started our new book 'Wild'. This book explores the emotional journey of a little girl who was born in the wild and taken 'home'. We have enjoyed using drama in our lessons to explore feelings and children have learnt some new vocabulary to assist them in their writing.

### Maths

This week, we have continued our learning on fractions and are feeling increasingly confident working out a third, quarter, three quarters and half of shapes, numbers and objects. Next week we will be looking at the equivalence of half and two quarters as well as some problem solving about fractions.

### Topic

In Science, we identified British habitats and drew animals in each of the four habitats.

In Geography we looked at google maps and spent time locating Richmond Park. We made posters about what we know about Richmond Park.
