

Year 3

Dear Parents and Carers,

Welcome back! We hope you had a lovely half term and are ready for this half term.

In English we have read 'The Lost Happy Endings'. Children have been immersing themselves in the text through creative activities. We have also focused on using subordinating conjunctions and learning how to use inverted commas for speech.

In Maths children have built up to using the short method for multiplying two digit by one digit numbers. We have used practical equipment to support learning and master the concept.

Our new topic is Rainforests! We have begun to look at Henri Rousseau's artwork and will be using his ideas to create our own rainforest masterpieces this half term.

Year Three Team 😊

Homework Reminder

This half term's home learning grid is now online. We love seeing what the children have chosen to explore and appreciate your support with their efforts.

Reading: Keep listening to your child read, questioning them about plot and characters. Please make sure that your child is writing down the titles of what they are reading in the home-school diaries. Lost diaries can be replaced for £5 at the office.

Date Reminder

Thursday 12th March – Elm Class Assembly

Announcements

Recorder lessons will continue – please make sure children have them in school every Wednesday.
