

Year 4

Dear Parents & Carers,

Welcome back! We hope you all had a good half term break. Rehearsals for the production 'A Glint of Gold' are underway. Well done to those children who have already learnt their lines- we are impressed! Please encourage the children to keep practising lines and lyrics.

We have really enjoyed doing our independent writing describing Tutankhamun's tomb.

In Maths, we have completed our work on area and perimeter. Next week, we will be starting our topic on fractions.

In Science, we have consolidated our learning of sound and we will be moving onto 'Animals and their habitats' with a focus on Rivers to link with our Geography topic.

Have a lovely weekend.

Year 4 Team 😊

Date Reminders

5th March

World Book Day

6th March

Bounce for Books

Homework Reminder

Home learning grid for Spring 2 will be available on the school website. Whilst the enrichment activities are focused on rivers, please remember to keep up with the non-negotiables.

Please complete Mathletics. If/when there is a delay in setting Mathletics, please choose to do activities related to the learning in the week. Please also continue practising times tables. The children need to know all tables up to 12 x 12.
