### Parents Evening

A reminder that parents evening is on the 18th and 19th March. These appointments will be **10 minutes** long and will focus on your child's progress and targets for the next term.

### This week's sounds

We have revised 'oa' for boat and 'igh' for night. We have been looking at two syllable words. The children have also been practising tricky words.

### This Week

We have been learning about doctors, nurses and paramedics. We have looked inside a doctors kit and talked about the tools that they use. We have also had a big focus on hand washing. The children have learnt a new hand washing song; sequenced hand washing pictures and made hand washing posters to pin up around school.

## Week ending 13.03.20

## Poppy, Bluebell and Sunflower Class

### Maths:

This week we have continued looking at number bonds to ten using bead frames and the cherry model. The children have learned a new number bond song. Can they sing it to you over the weekend?

### Next Week

We will be continuing our theme of 'To the Rescue', focussing on the postal workers. We will be linking this to the story - The Jolly Postman.

### Spring...

We have been looking around the school at different signs of spring. How about you go on a spring walk over the weekend and record it on Tapestry.

We have our fire station trip coming up at the end of the month. Consent forms are in the children's bags. Please let the Class teacher know ASAP if you can come and help.
