

Spring!

This week we started our new topic...Spring! We talked about all of the lovely and exciting signs of spring that we could look out for! We had already begun to notice the lighter evenings, the blossom and plants growing and the sunnier days!

Stay and Play

Thank you to all of the parents who stayed and played this week. The daisies had so much fun playing with their grown ups and showing them around Daisy class.

Sounds

This week we have been looking at lots of different letters in the alphabet and the sounds that they make. We have played lots of alphabet games to help us remember. Have a go at home. Pick letters from the alphabet and have a go at making the different sounds.

Daisy Class

Parent Consultations

Thank you to those who came to a meeting on Monday with Mrs Channing. To any parents who did not have an appointment you will be receiving an email via ParentPay next week with parent consultation feedback about your child.
