### This week's sounds

We have revised 'ar' for star and 'ow' for crown. We have had a go at spelling 2 syllable words and have continued to practise our tricky words.

### This week..

We have continued our topic of people who help us, focussing our leaning on postal workers. We based our literacy lessons around the story of 'The Jolly Postman.'  
We made story maps and we sequenced the story. Maybe you could send a card or letter to someone?

## Week ending 20.03.20

### Poppy, Bluebell and Sunflower Class

### Forest Fun

The children had fun learning how to safely use the hand drill. We hope you like your presents that the children have made you!

### Maths

We looked at positional language this week. We used language such as; under, over, next to, behind, in front of...

Maybe you could hide or choose something that your child has to find, then they can describe where they found it!

### Next Week

We were going to continue the theme of 'To the Rescue', focussing on Firefighters, looking at how they help us.

Can you find out some information? Maybe Fireman Sam can help?

Use Tapestry to share what you found out!

We will be thinking of you all at this tricky time. Please continue to use Tapestry as we want to see what you get up to at home!

If you do not have your Tapestry or Mathletics login please try to contact your class Teacher via Tapestry or ask a friend to contact us through Tapestry. Thank you! 😊
