

Year 4

Dear Parents & Carers,

Firstly, we would like to say 'well done' to those children who were able to keep coming to school this week. For those of you who were at home unwell, or with a family member who was unwell, we wish you a speedy recovery.

Secondly, although we will not be in school over the next 2 weeks, we want to reassure parents, there is plenty that children can do at home to keep learning.

You will already have received an e-mail from the school with some home learning suggestions and we will send out further in due course if considered necessary. We have set plenty of Mathletics and children can complete as many of the tasks on the Rivers home learning grid as you wish.

It is imperative that you keep reading with your children and they should maintain their reading diaries. All children have a copy of their spellings to learn and this is a great opportunity to revise previously learnt spellings.

Do not forget to enjoy the Easter holiday when it comes! We look forward to seeing you back in school in the Summer Term. In the meantime, we hope you all stay safe and keep well.

Year 4 Team 😊

Homework Reminder

Don't forget to keep practising your times tables and remember to test yourself using the website below.

<https://urbrainy.com/mtc>. Having tried it at school, there does not appear to be a need to subscribe or pay just to access the test.
