

This Week:

We have been learning to listen at carpet time. We have learnt about having 'looking eyes, listening ears, quiet mouth, still hands and crossed legs'. This has really helped us to sit nicely.

We have been looking at our faces and having a go at painting our portraits.

Reminders

- Please provide photos of **all adults** who will be collecting your child, **including yourself!**

It is really important that we have these so that all staff know who is allowed to collect your child.

Weekly News 25th September 2020 Daisy Class

Donations please!

We would be extremely grateful if you could please donate boxed tissues to Daisy class. The sniffly weather has begun!

Thank you so much for your support.

At home

Please start to teach your child to be independent with bottom wiping. Of course we are happy to help with any accidents - but especially in this tricky time, we want to limit the amount of time we are spending having physical contact in the toilets. Thank you!
:)

Next Week..

We will be continuing our topic of 'Marvellous Me' and talking about our families and who lives in our home.

Please can you supply a picture of your child with their family. Thank you :)

We will also be looking at the story 'The Colour Monster' and starting to discuss different feelings that we have.

Well done

The children are really starting to settle into the Daisy class routines and they are doing really well.
