

Phonics

Our sounds this week are 's' sun, 'a' ant, 't' tap, and 'p' pit.

You will find a **word wallet** in your child's book bag next week that contains the sound cards we have learnt so far.

You will also have some tricky words to start learning - 10 words - 5 on red card and 5 on blue card. **See the letter** in the wallet for more information.

Home Diary

Please find your child's home-school diary in their book bag today. Take some time to look through it and familiarise yourself with it. These are an important way to send us any general messages. When they start to bring home their reading books, please use these to tell us about their reading.

Reading

Over the next two weeks we will be reading with your child to assess them. As it is the first time we are reading with them, we will be taking this process slowly. Next week we will be giving each child two books to take home (one phonics book and one story book for you to share with them).

Weekly News

25th September 2020

Poppy, Bluebell and Sunflower Class

Our focus this week

We have been using the book 'Where the Wild Things Are' as our Literacy focus and to introduce sounds. Each day was dedicated to a sound and the children were immersed in activities related to that sound. Ask the children about all the adventures they have had in the classroom. We even had a go at writing the sounds - can you have a go at home?

Maths

We are having fun with maths songs, maths games and exploring numbers.

Can you see if the children can sing a song they have learnt this week!

Reading cont.

Take this opportunity to explore the books with them. Your child will have the same books for the next two weeks while we are assessing them, until we move on to weekly reading w/c 12th October. Then your child's book will be changed every week. We hope that they can have a go at reading the phonics book with your support. Books must be in their book bags every day.

Reminders:

If you haven't had a chance yet, please could your child bring in a family photo for our 'All About Me' focus.

Tapestry

We have started loading photos onto Tapestry this week. Take a look! It's always lovely to receive your feedback through your comments on Tapestry. Please feel free to add your own photos too, we love to see learning from home.
