

Our focus this week

We have been thinking about ourselves and our feelings. We read the story 'The Colour Monster' and talked about different emotions and what we can do when we feel sad or cross. Can you remember some of the feelings that we talked about?

Next week

We will be exploring autumn by reading the story 'The Leaf Man' by Loui Ehlert. We will be looking at different leaves and exploring the patterns and colours which we see. If you go on a walk over the weekend, please encourage your child to collect some autumnal items to share with the class.

Thank you

Thank you so much to those who have named your child's belongings. Please can everything be named? That way we won't lose things. Thank you :)

We have been getting to know all your children so well - but it takes a little bit longer to learn all of your faces too. Thank you for being so patient at pick up times!

Daisy Class

Reminders

We are still waiting on some photographs of adults who will be collecting your children. It is really important that we have photos of every adult that will collect.

Tapestry

Sorry for the delay in Tapestry updates. We are still waiting for a few consent forms to be completed before we can upload all of the children. It will be up and running very soon :)

Snack Time

A few parents have been worrying about their children not drinking enough throughout the session. We have a snack time each session where the children are all called over to come and have a snack and a drink. They are offered a choice of milk or water and every child has a drink. They are also offered a selection of fruits and veggies.
