

## Year 5

---

Dear Parents and Carers,

We have had another busy week in Year 5. The children have been working hard on their writing and we are looking forward to reading their exciting adventure stories this weekend.

The children were all very sensible and patient while they had their photos taken earlier this week. We hope you will enjoy the results.

Next week we will be phoning those of you who have made an Parent Consultation appointment with us. Please bear with us if we are a few minutes late making your call. We will endeavour to keep to time. It will help us enormously if we could stick to the **8 minutes**, which have been allocated for each call. Thank you.

Have a lovely weekend!

---

### English

In English we have been exploring an adventure story based on the book (and films!) *Jumanji*. We have been drafting and editing our own adventure stories this week.

### Maths

In Maths, we have been adding and subtracting 5 and 6 digit numbers, using mental and written methods and we have been using reasoning skills as well.

### Foundation Subjects

We have been continuing with our History topic on Vikings. This week we looked at the Viking belief system. In Science, we are continuing with our topic on Forces.

---

### Notices & Reminders

**It has come to our attention that pencil cases are needing to be topped up now. Could you please check to see if your child's pencil case needs any items refilling or replacing? We particularly need pencils, whiteboard pens and glue sticks.**

---

### Diamond Work Award

**Ash - Jin Lime - Andrew R Sycamore - Aaron**
