

Year 4

Dear Parents and Carers,

We have had another busy week in Year 4! It has been great to catch up with you during our Parent Consultation phone calls. For those who didn't get round to making an appointment or missed it, please email the office to arrange a call after half term.

English

This week we have been brainstorming and planning for our independent write! We will be writing an adventure about a toy (like Edward!) and the journey it goes on. We will look at how to include the inner thought of our character.

Maths

We finished off our rounding topic and have started column addition and subtraction.

Foundation Subjects

In Geography, we have been looking at why rivers flood. In Science, we have built upon our knowledge of food chains to create food webs! In Art, the children have been creating texture and mixing colours with acrylics to paint in the impressionist style of Monet - we can't wait to see the final piece!

Notices & Reminders

Please note that PE is on **TUESDAY** next week (20th October) so please send your child in PE kit on this day.

A reminder that on **Wednesday 21st October**, children will be presenting **one** piece of home learning from their grid. Any homework can start coming in from Monday. We look forward to seeing the fabulous work done! This is also the last day of term - and a fancy dress muffin day!

We will be setting **Mathletics** this week. Children should use the login details in their Home-School Notebook to access the Mathletics platform.

Diamond Work Award

Chestnut: **Jakirih** Larch: **Tulsi** Yew: **Winty**
