

Phonics

Our sounds this week were 'h' for hat, 'b' for bat, 'f' for feathers and 'ff' for cliff.

We are continuing to encourage the children to blend (word-build) with the sounds we've learnt so far.

eg. c-u-p = cup

r-e-d = red

Our focus this week:

This week we have started our new topic, which is all about *Space*

We are focusing on the story 'Look Up' by Nathan Bryon. It follows a little girl called Rocket on her quest to get people to look up and see a spectacular sight.

Next Week:

We will be looking at Remembrance Day and the Hindu and Sikh festival of 'Diwali'.

Weekly News 6th November 2020 Poppy, Bluebell and Sunflower Class

Forest Fun

We are hoping to do some 'Forest Fun' sessions this half term, but we will have to adapt this due to current COVID guidelines. We will send out a message via ParentPay with further information next week.

Maths

In Reception we are learning about the value of numbers. This week we have been exploring number one. We have been exploring number one in lots of different ways. For example 1p, £1, 1m, 1cm, 1kg, 1 o'clock!

Requests

We have started our space topic! We would love any tin foil, toilet rolls, kitchen rolls, plastic bottles, silvery items, torches, and anything else spacey! If you have any books about space that we could borrow for the day we would love that too!

Children in Need -

Friday 13th November 2020

The children can wear sports clothes! Please see school newsletter for more information.
