

Year 4

Dear Parents and Carers,

We hope you all had a lovely half term! We were very pleased to welcome the children back on Monday.

English

We have read 'The Trojan Horse' this week and will be using the story as a stimulus to writing our own news reports.

Maths

We have begun to look at multiplication and the correct mathematical vocabulary. We have also used multiplication in contexts. Please keep practising your times tables at home!

Foundation Subjects

We have started our new topic of the Ancient Greeks. The children have been really enthused and we have begun a DT project that will culminate in building our own Greek temples! In Science we have started sound and looked at vibrations using triangles, tuning forks and rice on drums.

Notices & Reminders

The children have been given their Home Learning Grid for this coming half term and we discussed it in class. Please let your class teacher know if you need another copy. You can also find it on the website here: <https://www.fernhill.kingston.sch.uk/year4>

DT - Please bring in junk modelling material (newspaper, cardboard boxes, kitchen roll tubes etc.) for when we make our temples in a few weeks time. Please note no toilet rolls! Thank you.

Diamond Work Award

Chestnut: **Oliver B**; Larch: **Leo and Saffiyah**; Yew: **Olive**
