

Phonics

Our sounds this week were 'l' for ladder, 'll' for shell and 'ss' for glass.

We have been looking at the children's key words in their wallets. Please continue to practise these at home :)

Next Week

We will be continuing to look at the story 'Look Up' and finding out more about 'space' using information books.

Our focus this week

This week we have been writing letters to Rocket. We have been practising using finger spaces and full stops in our writing.

Weekly News

13th November 2020

Poppy, Bluebell and Sunflower Class

Forest Fun

We will be starting this next week and will send a message via your Class Rep with more information. Due to the current situation we will only be doing two groups per week. Meanwhile, could you please sort out some wellies and waterproofs. Thank you!

Maths

In Reception we are learning about the value of numbers. This week we have been exploring number two. We have been exploring number two in lots of different ways. For example 2p and 1p+1p = 2p, 2 o'clock.

Reminders

As the weather starts to change and is getting colder, could we please remind you to label your child's belongings such as hat, gloves, coat, scarf etc. with their name. It makes it tricky for us to make sure children have everything if it is not labelled :)
