

This week

We have had a very busy week making vegetable soup and eating it (!), talking about Remembrance Day and making Poppies and exploring the festival of Diwali. We made clay Divaas and looked at Rangoli patterns.

Next Week

We will be reading the story 'A Mouse called Julian', written by Joe Todd-Stanton.

Things to remember

- Forest Fun every Tuesday
- Library books every Friday
- Please, please can you name everything: coats, water bottles, jumpers, clothes, bags - everything that comes to school :) Thank you!

Daisy Class

Forest Fun

The children really enjoyed our first Forest Fun session. Some children made bird feeders to hang in the trees. The children also made soups and cakes in the mud kitchen. They enjoyed exploring the pond looking for all the aquatic life!

Outside Play

We go outside in most weather and change into wellies if it is wet/muddy. Please provide a pair of wellies if required. We have a number of spare pairs but sadly not enough for all. It is a great time for your child to have a go at putting their own coat on! We have been practising using the Daisy Class magic coat trick, ask your child to show you! (Lay coat on floor with inside arm holes showing, stand at top of hood, put arms in arm holes, flip over head like a cape!)

Thank you

Thank you for the pumpkin donations!

Donations

Throughout the year we like to let the children experience messy play activities. We would love donations (now or later in the year) of shaving foam, pasta, flour, salt and hair gel. Thank you :)
