

Friday 11<sup>th</sup> December is Christmas Jumper Day! More information about donations are in the whole school newsletter.

### Phonics

This week we have been re-capping on all the initial sounds we have looked at this term. We have also been practicing writing sentences using our tricky words.

Challenge: Can you write a sentence using the sounds you have learnt so far? Try using a tricky word too!

### Next week

Our focus will be the Dear Santa.

Please can we also send a plea to you, to make sure you record your child's reading in their diary. It helps to have a dialogue!

### Week ending 4/12/2020

Poppy, Bluebell and Sunflower Class

### Our focus this week:

We have been getting ready for Christmas. We have been talking about advent and thinking about what Christmas time means.

### Forest Fun:

Next week is the last Forest Fun session for this half term, we hope the children have enjoyed the time spent exploring this area.

We have enjoyed the mucky moments and hunting for bugs and things. We are planning lots of new exciting things to discover next half term.

### Maths

This week we have been looking at number 5. We have seen how many ways we can make 5 with money and numicon. We have been learning about 5 sided shapes - regular and irregular nonagons.

#### **At home:**

Have a go at making 5p with 1ps and 2ps.

### Christmas cheer reminders, dates to remember...!

Christmas Lunch on 10<sup>th</sup> Dec, Christmas Jumper Day on 11<sup>th</sup> Dec and a class party on 17<sup>th</sup> Dec. Thank you :)
