

## Year 6

---

Dear Parents and Carers,

This week, the Christmas feeling arrived with each class performing and recording a festive song. We hope you enjoy watching the 'concert' next week.

Congratulations to Alex (Oak Class) and Silvia (Willow Class) for their success in the Fern Speak competition and well done to everyone for participating too.

This will be our final newsletter for 2020 so we would like to wish you all a safe and peaceful holiday.

---

### English

This week the children have been writing their own epilogues for the story of Fox. Will Magpie and Dog be reunited or will Fox's cunning plan work? We can't wait to read how the children end this story.

### Maths

Our focus for this week has been on adding and subtracting fractions when the denominators are not the same. We included improper fractions and mixed numbers. After the Christmas break, our fraction learning will continue - moving on to multiplying and dividing.

### Foundation Subjects

We completed our geography learning about the change in land use by designing a new town that included all the facilities that we know makes a place desirable to live in and visit. Some of the children also included futuristic use of land in their designs.

---

## Notices & Reminders

Christmas Party Day - **Thursday 17th December**. Please see the whole school newsletter for further details.

School finishes early on **Friday 18th December**. **Year 6 children will be dismissed at 1:25 pm.**
