

Risk Assessment Policy

This Risk Assessment Policy is available for all employees, participants and guests. It is a guide to the safe working practices and statutory requirements that must be followed. It also defines rules & procedures which have been developed within the club to actively promote the highest standards of health, safety and welfare.

Just4kicks fully accept our responsibilities to our employees and participants to ensure, so far as is reasonably practical, their health, safety and welfare and to:

- Self-assess for COVID-19 symptoms before clubs. If you are symptomatic or living in a household with possible or actual COVID-19 infection you must not participate or attend.
- All parents must sign and return the parental consent form.
- TRACK AND TRACE - Coaches must keep a record of attendees for up to 21 days. Participant's contact details will be supplied to the coaches.
- Facility will be compliant with current government legislation and guidance related to COVID-19.
- 'Safe areas' are in place – this is where participants go when they arrive at their session to ensure they are at least 2 metres apart. This is their space to leave their own belongings etc and to return to for drink breaks.
- Participants must sanitise hands before and after the club session and at scheduled breaks throughout the session.
- Ball handling should be kept to a minimum with most contact via a boot and the ball disinfected in breaks of play.
- Match play is permitted, with social distancing in place before and after matches, and in any breaks.
- If a player gets injured, the person treating them must have gloves and a face covering of some kind. You may be able to talk to the player from a distance in some cases to advise them what to do themselves.
- Equipment will be sanitised before the club session. Only coaches will touch the equipment. Bibs will be cleaned at the start of each session and not shared with other players. The coaching will take place on the astro turf pitch and will combine skills training and small-sided games.
- **Players must wear SHIN PADS WITH LONG SOCKS OR THEY WILL NOT BE ABLE TO TAKE PART FOR SAFETY REASONS .**
- Players should be prepared for wet/cold weather and bring waterproofs/tracksuit.
- **Players should bring their own hand sanitiser;** they are encouraged by the coach to use it during the session.
- **Players should bring their own NAMED water bottle. Drinks must not be shared. Bottles and snacks must be named to avoid accidental mix ups.**

Acceptance Signature

A copy of this Risk Assessment Policy will always be available from Just4kicks for easy reference should you ever have any queries. If you have any questions, please do not hesitate to ask.

Please sign below to confirm that you have read and understood the Policy and accept the responsibility, on behalf of your child, of maintaining a safe and healthy playing environment.
