Next Week

We will be continuing our theme of 'To the Rescue', focussing on vets and the dentist. Next week we are going to revise sounds 'oa', 'oo', 'ar', & 'or'. Along with securing 8, 9 & 10 number bonds.

Maths:

This week we have been looking at 6, 7 & 8 and their number bonds. We have used tens frames, part whole models and numicon to explore how many different ways we can make these numbers.
