

Year 4

Dear Parents and Carers,

The children have worked very hard this week and we hope they have enjoyed all of their learning.

The children enjoyed dressing up in red for Red Nose Day - thank you for any contributions.

English

In English, we have continued using the book, 'Here We Are' by Oliver Jeffers. The children wrote the most amazing poems about the sky and looked at oxymorons.

Maths

In maths, we looked at calculating change in real life contexts. We focused on 2 step problems and considered what the most efficient and reliable strategy was when working these out.

Foundation Subjects

This week in history, we learned about why the Roman Empire was so successful. The children looked at armour, the army size and lots more! The children really enjoyed science this week... we looked at the effects of water, coca-cola, milk, orange juice and squash on eggshells. Try asking your child which one is the worst for your teeth & why?!

Notices & Reminders

Please ensure your child is still reading and recording this in their reading diary for their teacher to check. A **reminder** to please remember to pack your child a **healthy** snack for break-time, such as fruit or granola bar.

Diamond Work Award

Larch: Max & Faraz **Chestnut:** Daisy H & Nicholas **Yew:** Athena & Daniel
