

### This week..

We have continued our topic of people who help us, focussing our learning on dentist and the vets. We looked at how to keep our teeth healthy and designed posters for this. We also looked at the vets and how they help us to care for animals.

### This week's sounds

We have revised 'ar' for star and 'long oo' for moon, 'short oo' as in look and 'oa' as in boat. We have continued to practise our tricky words.

### Reading Diaries

Please could you record in the children's diaries when you have read with them or practised their words from their word wallets.

## Week ending 25.03.21

### Poppy, Bluebell and Sunflower Class

### Maths

We continued to look at numberbonds for 6,7,8,9 and 10.

We have used different manipulatives such as flip counters, tens frames, part whole models and numicon to demonstrate this.

### Next half term

We will be focusing on the topic of 'Growing'.

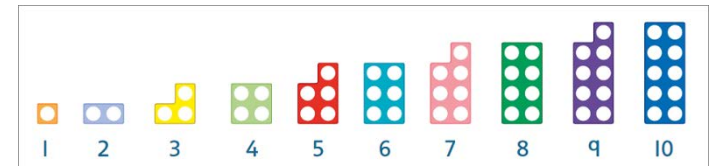

We will be looking at the book 'The Tiny Seed' by Eric Carle and 'Oi Frog' by Kes Gray and Jim Field.

### Reminders

We will be making Easter Bonnets next week so if you would like to donate any craft bits, then please bring in on Monday e.g. chicks, sequins, cotton wool etc.

We will be finishing at 1.30pm on Wednesday 31st March. It will also be a mufti day (non uniform)!

Thank you for all your support this term, both at home and in school. We hope you have a lovely Easter holiday!

Have a lovely Easter break
