

Year 1

Dear Parents and Carers,

We have had a lovely last few weeks with the children. It has been super to see them all back in school. We hope you have a restful and enjoyable Easter break and look forward to seeing you back at school on Monday 19th April.

English

In English this week we started our new text *The Night Gardener* by the Fan Brothers. We started the week by learning about topiary trees and the children drew their own creations. We were really impressed with their imaginations! We discussed a range of emotions and described how characters be feeling.

Maths

We have continued to look at capacity, working out which containers are full/empty/nearly full/nearly empty. We have also compared weights using the greater than/less than/equal to signs.

Foundation Subjects

Science: In science this week the children had great fun playing Tree Bingo to reinforce their learning about the parts of a tree.

Geography: We have continued to think about the types of weather in the UK. We discussed how weather can affect the types of clothes that are needed and the activities that can be carried out.

Notices & Reminders

Please could you bring in any art and craft resources that your child might like to use when making their Easter bonnet next week in school.

Values Award

Cornflower: Mohid & Vikhram **Foxglove:** Elsbeth & William **Lavender:** Rose & Charlotte Z

Diamond Work Award

Cornflower: Selena & Grayson **Foxglove:** Harrison & Summer **Lavender:** Berrin & Sami
