

Year 2

Dear Parents and Carers,

This week we have started to look forward to Easter. In RE we have explored different Easter symbols, new life and decorated eggs. Next week we will be making Easter bonnets and 3D maps of Isabella Plantation so any suitable recycling and craft materials would be really appreciated.

As this will be the last newsletter this term, we hope you have a fun and relaxing Easter break and look forward to the Summer term.

English

Year 2 received a letter from the police saying that Mr Fox might be sent to jail for stealing chickens! In response, the children wrote fantastic persuasive speeches explaining that he was only trying to feed his family and other reasons why he should be set free. The children have also been practising their reading and comprehension skills with a range of different texts.

Maths

In maths we have continued to explore addition and subtraction through a range of problems some of which involved adding money and finding change. If you would like to practice finding change here is a link for a fun online game from Nat West Bank:

<https://natwest.mymoneysense.com/students/students-5-8/the-change-game/>

Foundation Subjects

We have continued to learn about our beautiful royal park in science and geography. The children had an opportunity to demonstrate their knowledge of Richmond Park by creating amazing information leaflets. In PSHE the children learned about the importance of money and considered whether it is better to spend or save. It seems most Year 2 children plan to be savers!

Notices & Reminders

Please ensure your child has a water bottle in school everyday. As the weather continues to get warmer and sunnier, please apply sunscreen before school and send in a sun hat too. Thank you.

Values Award

Bracken - Joshua & Violet; **Clover** - Ennis & Maria O'R; **Heather**- Ben & Zoia

Diamond Work Award

Bracken - Isaiah & Freja **Clover** - Layla & Xander **Heather** - Athena & Olivia
