

Year 4

Dear Parents and Carers,

The children have worked very hard this week and we hope they have enjoyed all of their learning. They have completed assessments for reading and maths and have made themselves and us very proud, well done!

English

In English, we have been using the book 'Black Dog'. We have revisited the use of inverted commas for speech, prepositions and contractions.

Maths

In Maths, we have been partitioning two digit numbers to multiply them with a one digit number. The children have worked really hard and have shown their working out using dienes.

Foundation Subjects

We have enjoyed learning about what the Romans changed in Britain and what still remains today. We have also learnt the song 'Stand by me' in Music.

Notices & Reminders

A **reminder** to please remember to pack your child a **healthy** snack for break-time, such as fruit or granola bar.

To finish our DT topic, there will be an assignment on google classroom, for the children to cook, take pictures and evaluate the mexican meal they planned in school. They will have the whole of the Easter break to complete this.

Please bring in any items you would like to use on your Easter bonnet on Monday please.

Diamond Work Award

Yew: Liann & Sami; **Chestnut:** Oscar & Anna
