

This week's sounds

We have been continuing to revise our digraphs. **oa** as in oak, **igh** as in high, **oi** as in soil, and both long **oo** as in moon & short **oo** as in look.

Can you spot any of these sounds in your story books and/or reading books?

This week...

We are continuing to focus on the story of *The Tiny Seed* by Eric Carle for our literacy and our phonics. The children have been thinking about what they want to grow into, similar to the acorn that can grow into an oak tree!

Reading diaries: Please remember to write a comment or sign/initial to let us know you have read with your child at home.

Weekly News 30th May 2021

Poppy, Bluebell and
Sunflower Class

Remember Monday 3rd May
is a Bank Holiday!

Number Day ~ Next Friday

It is a day to have fun and enjoy maths - an exciting day all about numerals! We are hoping the children will 'dress up for digits' - please see the whole school newsletter for more information.

Forest Fun

We have enjoyed exploring our Secret Garden area. The children have been on a scavenger hunt looking for lots of exciting things, all to do with nature and the world around them.

Ask your child about it!

Caterpillar watch

Each class have introduced little caterpillars. We will be watching them closely, observing their wonderful transformation and learning about their life cycle first hand.

Maths

The children are continuing to learn about teen numbers. Our focus on 12 and beyond has encouraged the children to explore using tens frames, numicon and other resources to encourage them to see number. We are using the term tens and ones. For example, 12 is one full ten and 2 ones.
