

Check out our new 'Star Work' board. We will change it each Friday 😊

### This Week

We have continued to look at the story 'Horray for Fish.' We have also continued to talk about plastic pollution, the importance of putting our rubbish in the bin and using reusable items such as carrier bags, instead of disposable plastic.

### Next Week

We are going to look at the story 'The very hungry caterpillar' written by Eric Carle.

We will talk about the life cycle of a butterfly and chat about healthy and unhealthy foods.

### Literacy

We have been looking at rhyming words again this week and we have played 'silly soup.' Maybe you could play this game at home too? I'm sure your child can tell you how to play!!

### Lending Library

We hope the children have been enjoying the books they take home weekly. Please can the books be returned in their plastic wallet. If the books come in without a named wallet we get very confused as to who has returned them. We will only change books on a Friday. If they get returned on another day we will save them until Friday :) Thank you

### Resources

We read a great story called 'Ruby's Worry', written by Tom Percival. It is a lovely story which teaches the children what to do with a worry.

Fine motor Activities -  
<https://theimaginationtree.com/40-fine-motor-skills-activities-for-kids/>

This website has lots of great fine-motor activities which you could do at home
