

Check out our new 'Star Work' board. We will change it each Friday 😊

This Week

We have started to explore our new book, 'The Very Hungry Caterpillar' by Eric Carle. We have started to join in with parts of the story and the children have made their own caterpillars. We have briefly discussed the life cycle of a butterfly.

Next Week

We are going to continue exploring the story 'The Very Hungry Caterpillar.'
We will look at butterflies and have a go at making our own symmetrical pictures. We will discuss healthy and unhealthy foods.

Maths

We have created patterns by printing fruit and tasted different fruits. We even made our own bar charts with our favourite fruits! We talked about which fruit was most popular and spoke about 'few' and 'least'. We played a hungry caterpillar bingo game too.

Weekly News

Daisy Class

Also this week...

We really enjoyed the windy day on Thursday! The afternoon children made kites and had great fun.
The morning children met Titan the tortoise on Monday. He will be back after half term for the afternoon children to meet him too.
The children are loving Teddy Tennis. Can they show you any new tennis skills?

Literacy

We have been talking about the days of the week - we made our own book about what fruits the caterpillar ate on which days.
We have been drawing pictures of caterpillars and butterflies.

Try some of the different fruits mentioned in the story. Which one is your favourite? You could try some apples, pears, strawberries, oranges, plums or watermelon. You could also try some other fruits – what other fruit might The Very Hungry Caterpillar like to eat?
