Please can we remind you NO JUICE only WATER !

Keeping learning active!

Please can we ask you to enjoy your half term, with a difference!

Can you ask the children to read something fun each day? Can you encourage them to write independently about something they see or do? We would like them to bring their writing into school the first day back to share.

Next half term...

We have Teddy Tennis starting on Friday's. This will replace our outdoor PE so all Reception children should come to school on Friday's in outdoor PE kit.

Forest Fun will start the 3rd week back!

This week's sounds

We have re-visited trigraphs air, ure, ear. We are encouraging the children to write independently using their sound knowledge. Can you have a go at home? Maybe send some pictures through on Tapestry!.

<u>Weekly News</u> <u>28th May 2021</u> Poppy, Bluebell and Sunflower Class

This week...

We have enjoyed looking more closely at minibeasts. We have discoved bees have five eyes and ladybirds are not always red and black! We have made our own 'What am I?' clues. Ask the children to share some with you.

Half term challenge - record on <u>Tapestry!</u>

Why not practise these skills over half term: counting, recognising and ordering numbers to 20, finding 1 more and 1 less than a number to 20, and practical sharing, doubling and halving (using objects).

Our next topic...

After half term we will be learning about oceans and sea creatures. We will be exploring what we know and what we want to discover. We will be using World Ocean Day to look at how we can make a difference.

Class Assemblies (to be shared online) will happen the end of the 2nd week

back! Sunflower, Poppy & Bluebell class are so excited to share everything they have learnt this term with you!
