

## Year 4

---

Dear Parents and Carers,

Another busy week at school. The children completed their multiplication assessments and all tried their very best. We are very proud of them.

---

### English

We have been using the story of Beowulf and Grendel this week to help plan our own Anglo-Saxon legendary tale. We drew our own heroes and evil characters and have begun planning our own Anglo-Saxon stories.

### Maths

This week we have been revisiting the short division method, focusing on exchanging and remainders and have revisited equivalent fractions.

### Foundation Subjects

In science we have been recapping prior learning and have participated in another Science experiment, looking at condensation and evaporation. We have been continuing our Anglo-Saxons topic in history,

---

## Notices & Reminders

Next week we will be continuing our Year 4 RSE lessons during PSHE. The second lesson is all about female menstruation.

Sports day for Year 4 is **Thursday 1st July** next week. Please can children come in dressed for PE on this day as well as their usual Wednesday. They can wear a t-shirt that is the colour of their house.

---
