

This week's Maths

We have practised a lot of counting-forwards and backwards and starting from any number. We have made maps and plans using the story of Little Red Riding Hood. And we have been sorting and matching money.

Next Week...

The Pirate Workshop will be taking place on Monday 12th July. Children MAY dress up again if they wish.

This Week

We have learnt about endangered animals and made posters .

Weekly News 9th July 2021

Poppy, Bluebell and
Sunflower Class

Farm Focus

Next week we will be thinking about farm animals and many of our activities will be based around this theme.

Sports Day

We had a lot of fun with our activities - running, obstacle course, balancing beanbags on our heads and throwing beanbags into a target. We really enjoyed cheering each other on and looked very smart wearing our coloured tops and medals.

Summer Concert

Our Summer Concert is on Monday 19th. We will be singing a selection of songs all together and with Daisy Class too. This will be filmed and posted onto Google Classroom.
