

## Year 6

---

Dear Parents and Carers,

What an exciting week we have had! The children performed brilliantly in Macbeth and truly rose to the occasion. All of the scenes have been filmed and are currently being put together. The final piece should - technology permitting - be posted next week.

If this wasn't enough, the children also had a fantastic time dragon boating on Tuesday. The weather was perfect and the smiles on the children's faces said it all.

And now onto the final week of primary school..the children are looking forward to the party and Leavers' Assembly.

### Curriculum

Our main focus this week was, of course, Macbeth. The children are now busily writing scripts for the Leavers' Assembly and practising their performances.

The school nurse visited on Friday for the final RSE talk for Year 6.
