

Year 4

Dear Parents and Carers,

We have had a busy week of learning! The children have worked incredibly hard. A big well done to everyone as we come towards the end of the term and school year.

English

We have been drafting our own Jaberwocky style poems this week, including all of our fun nonsense words. We have then been publishing them in our own small poetry books.

Maths

We have continued to learn about area this week. We have also moved onto time, looking at converting between different time frames.

Foundation Subjects

In history this week we have been doing a final poster showcasing our learning - we are trying to prove that the Anglo-Saxons were in Britain even though it is called the 'dark ages'. In art, we have started our final choice pieces and we will be finishing these off next week.

Notices & Reminders

Please continue to fill in home reading records and log on to Times Tables Rock Stars. We have a Year 4 challenge on Rockstars! Last week, Larch won with the most points. Can Chestnut or Yew win next week?

Next week on Wednesday children will not be coming in wearing P.E kit as we will have changeover day, where children will be going to their new classrooms to meet their class teachers for September.

Next week is also home learning show and tell. Please ensure your child has completed at least one task on the Home Learning Grid to present to the class. The Home Learning Grid can be found on the Google Classroom.

Diamond Work

Chestnut: Oscar and Victoria

Larch: Amir and Aadhya **Yew:** Emily and Anit
