### Important Notes:

1. Please make a note of the Club Dates. You will only be contacted in advance of the first session if your child **does not** have a place.
2. The number of places available per club each term is limited for quality control reasons. Therefore, we must apologise in advance for those we have to turn away after the club is full.
3. Science club fees are non-refundable (except in circumstances where your child either changes school or has prolonged illness/injury which prevents them from attending school). Please refer to our website for a full list of T&C.
4. Science clubs are operated by Mother Nature Science, UK Company Reg. No. 602811; VAT No. 941780413; Tel: 02088638832; Web: [www.mnature.co.uk](http://www.mnature.co.uk)

**Science System 6! - A New Safe, Fun, Hands-On and Enriching Science Topic Every Week, from:**

**A Rainbow in My Hands!** - Create an indoor rainbow, then find out the real colours of sunlight.

**Bizarre Bodies!** - Learn about some bizarre body facts!

**Bridge Busters!** - We investigate strong shapes. Can you design a strong straw bridge?

**Can You Hear Me?** - We investigate how sound travels and make a cup phone!

**Flying High!** - We investigate Four Fantastic Forces of Flight and build a mini-stunt glider.

**Run Marble, Run!** - Create an indoor rainbow, then find out the real colours of sunlight.

**Create A Candle!** - We study solids, liquids, and gases by making real candles!

**Powerful Wind!** - Create your own wind vane and learn about renewable energy.

**Shadow Clocks!** - Make a sundial and learn about Earth's rotation.

**Lava Lamps!** - Investigate liquid densities and watch how fluids move by making a simple lava lamp.

**Hello - please keep the top half of this letter for future reference, especially for the club dates!**

# SCIENCE CLUB!

**Have FUN with Enriching Science this Term!**

With the environmental challenges facing our world today who wouldn't want their child to find science fun and engaging? That's why Mother Nature Science Club helps children achieve this by exploring a wide variety of scientific topics which are as entertaining as they are educational. Your children will watch spectacular demonstrations and participate in experiments and discussions; taking home cool science related items they have made themselves. At the start of each term we send you a 'Parent System Sheet' so you can see what your child is learning and continue to explore the science at home together! This is why our simple motto will always be - *"Let's Have Fun With Science!"*

#### Key Points:

- ✓ Fun, hands-on and enquiry based
- ✓ Meets National Curriculum science standards and aids STEM learning
- ✓ Fully trained & full DBS checked instructors
- ✓ Professional lesson plans & equipment
- ✓ Complements the science classes taught in school & prepares your children for a solid foundation in science
